Thomas Fenot

DEVELOPER - 6.5 YEARS EXP.

06 86 43 40 31 / fenotthomas@gmail.com / 158 Rue Cabourg, Anneville-Ambourville 76480, France

I am a young (26), enthusiastic developer eager for knowledge. I have primarily worked in a Microsoft environment, but I also enjoy discovering new technologies and adapt easily.

I'm now focusing more on learning React, JS and TS and looking for a full-remote job.
